## Three Female Realtors Attacked

Within 11 days, three female real estate agents in DeKalb County reported being robbed at gunpoint by a man and woman.

DeKalb Officer Dale Davis said the incidents appeared similar because each happened in the evening hours, involved a female real estate agent being bound during the robbery and was allegedly committed by an armed man and woman fitting similar descriptions.

"The perpetrators would contact the realtor, usually by phone. In one incident, the realtor actually went to the MARTA station and picked them up, took them to the location, showed them the home, and as they were concluding their walk-through, they were robbed," said Officer Davis.

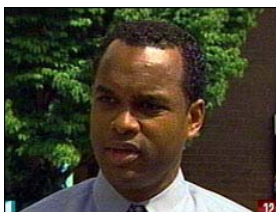

The first robbery happened on May 13 about 6 p.m. at 1851 Valley Brook Road. Police say the assailants tied up and robbed the female realtor, in addition to stealing her silver 2002 Toyota Camry with the Georgia license tag A-F-W-3-5-4-1. The car hasn't been recovered yet.

Eight days later, on May 21, a female realtor was robbed and bound by two suspects about 7 p.m. at 302 Summerlane Place, police said. Her black 1998 Toyota Camry with the Georgia license tag 1-2-5-M-W-L was also taken and has not been recovered.

The latest robbery occurred on May 23 at 2813 Harrow Drive. Police say two suspects robbed the third female realtor at gunpoint and left her bound. The realtor's vehicles were also taken during the theft.

DeKalb police say people working in the real estate business should exercise extreme caution when accepting client appointments. To that end, realtors may be safer working in pairs and should attempt to obtain a legitimate call back telephone number.

Anyone with information regarding the above three incidents should contact the DeKalb police at 404-294-2570.
